

STADIA SAFETY | TRAINING WORKSHOPS

CROWD DYNAMICS AND CROWD PSYCHOLOGY

Candidates will learn why and how individuals and group behave, understand crowd flows and safety at stadia, in line with the Green Guide.

PREJUDICE AND DISCRIMINATION

The differences between prejudice and discrimination and how individuals values are formed will be explored as well as the manifestations of discrimination and anti-radicalisation.

MULTI-AGENCY WORKING

The roles of each agency and their commonalities and differences will be examined, as will the inter-operabilities between each agency. Candidates will also understand about primacy in the event of an emergency situation.

EMERGENCY PLANNING

Candidates will learn about the roles of responsibilities of each agency and the commonality of approach. Threat, vulnerability and risk will be explored and plans and resilience issues will be explored, challenged and tested.

DECISION MAKING AND RECORD KEEPING

Candidates will understand best practice models for decision making and the considerations and guidance that must be followed within the sector.

LEGISLATION AND KNOWING YOUR BOUNDARIES

A range of legislation will be examined including The Green Guide, The Purple Guide, Human Rights Act, Health and Safety Act, Common Law Powers including self-defence and specific Ground/Stadia regulations.

STADIA SAFETY | TRAINING WORKSHOPS

SEARCH STRATEGIES (MAN SEARCH AND VENUE SWEEP)

Candidates will learn practical techniques to optimise the efficiency and effectiveness of search procedures at your venue.

STADIA RESILIENCE

The stadia resilience programme is designed to help senior operational staff identify new and evolving security challenges in the context of their stadium and identify proactive methods to mitigate against these.

SITUATIONAL AWARENESS

Candidates will cover defensive measures to counter threats to health, safety, welfare and operations, as appropriate to their organisation and surroundings

TRAINING DELIVERY

These training workshops have been specifically designed for the stadia and events sector. They are delivered and assessed by experts in the sector who are experienced in the field and aware of emerging trends which impact you and your sector. Our experts have backgrounds in British Policing, the Armed Forces and the British Embassy and work with some of the worlds biggest sports clubs and event venues. Sharing this experience can add real value to the operational capability of your safety and security teams when trying to keep customers and colleagues safe.

All programmes are designed to meet the needs of the organisation. As such content is adapted and specific organisational documentation and policies embedded.
